VZ4800 Low Rider Electric Pop Top Hybrid

\$12,500
worth of bonus inclusions

Bunk model

Enjoy family holidays with all the comforts of home! This 16ft luxury off-roader has all the options you've been seeking with a fresh, new layout for the Ezytrail range.

Inside, you'll find a comfortable set of bunks for the kids. When not in use, the bunks can easily be converted into a soft touch lounge for the family to enjoy.

We now also offer a separate toilet and shower, so no more little wet shoes in the van! The new layout also features a large internal kitchen bench and wash up sink alongside your external slide-out kitchen. This means, meals can be prepped indoors while the snags are sizzling outdoors. Hit the road with a fully integrated power system, our signature EzyRider suspension and a healthy list of bonus inclusions - it's the dream van your family will love.
